A Word from the President

There have been many mission efforts in the past 2,000 years since the church began. It has been only in the past few hundred years however, that our nation has been involved in this holy project. One of the first areas we targeted was the coastal regions and many mission compounds were established. Later the efforts turned inland and men like Hudson Taylor and William Carey reached thousands in this way. Much of the large harvesting has been done, but there remains in the field of service a portion left standing. I'm speaking of the corners of the field. The gleaning of the harvest is not yet complete. There are many groups of people that have not yet heard the gospel of Jesus Christ. These people may not be found in the big cities where the masses of people live. They are found in the mountains and long forgotten valleys of the world. In some cases, there is no communication with the outside world. Over 3,000 of these people groups have been identified as not having one verse of scripture in their language. Can we reach these people?

Jesus told his disciples in Matthew: "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations: and then shall the end come." Is it possible that He will not come until our job is complete?

INTRODUCTION TO IFBC

The task is not as daunting as it may first appear. With over 6,000 Fundamental Baptist Churches in America the job can be accomplished. If each church would send one missionary candidate to be trained to go to these people groups, and those candidates would commit no more than five years of their lives to intensive training that our college provides in cooperation with some other colleges, we could be well on the way to accomplishing this goal. On the average it will take close to fifteen years of dedication to be able to put the Bible into the language of some of these people groups. So within twenty years it is possible to have the Gospel of Jesus Christ in every language of the world.

You are looking at this catalogue because you are interested in serving the Lord. Could it be that he might call you to this “high and holy calling?” Maybe you should come and see the possibilities that the Lord has laid out for you. Yes, you might be one that He has singled out for this. Don’t know how to get started? That is where we come in. God has called us to help train those who are called to this work. Our courses are uniquely suited to this purpose. I challenge you to volunteer for special service. Who knows what God can do with one totally committed to Him!

A Brief History of IFBC

In 1962

Pastor David R. Haifley embarked on his dream to fulfill the need for a more comprehensive training program for young Christians.

What Started as a

small group of Bible hungry students gathering together at Grace Bible Church one night a week has now grown into a full 4-year degree college. As the young Christians began to grow and graduate from the local high schools, it became apparent that more Bible training was necessary for them if they were to serve as Sunday School teachers and leaders in the Church. Some of the first classes, those late evenings, were Hermeneutics and Basic Bible Doctrines. A certificate was issued at the completion of each course.

In 1966 IFBC saw its first graduating class and the installation of one of its first graduates as an interim pastor at Grace Bible Church. Each year IFBC increased its class schedule and more and more students attended and graduated into the ministry. Then in 1994 the Lord saw fit to call David Haifley home, and one week later the Grace Bible Church board and the IFBC board asked his son Dr. Daniel Haifley, a graduate of IFBC, to become the pastor of the church and the president of the school.

This new vision includes Practical Missions courses designed for seasoned and novice Missionaries alike, which include basic construction well drilling and water filtration to mention just a few.

Doctrinal Statement

Sovereign God

There is one God. He is one person yet exists as a trinity. We believe the Bible clearly teaches this Three-in-One doctrine, yet we do not pretend to understand it.

For there are three that bear record in heaven, the Father, the Word, and the Holy Spirit: and these three are one. I John 5:7

Jesus Christ

Jesus Christ is the only begotten Son of God. He was born of the virgin Mary by a miracle of the Holy Spirit, and is both God and Man.

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us. Matthew 1:23

Holy Spirit

The Holy Spirit, who is the seal and earnest of our inheritance, is poured out and given to every believer the moment that he is born again. We believe the gifts of the Holy Spirit are given according to the need for them, and that the Apostolic gifts that were needed during the early church period are not given or needed today.

In whom ye also trusted, after that ye heard the work of truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with the Holy Spirit of promise, which is the earnest of our inheritance until the redemption of the purchased possession, unto the praise of his glory. Ephesians 1:13, 14

GENERAL INFORMATION

Man

Since the fall of Adam, man has been born with a sinful Adamic nature, and must be born again spiritually by receiving the Holy Spirit before he can fellowship with God.

Jesus answered and said unto him, "Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God." John 3:3

Salvation

It is by faith alone that man is saved. Man must have a spiritual new birth. This salvation experience is a miraculous work of the Holy Spirit available to anyone that believes and asks for it. If man comes before God with a repentant and believing heart, God will dwell within him.

Therefore we conclude that a man is justified by faith without the deeds of the law. Romans 3:28

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

The Word of God

We believe in the verbal plenary inspiration of both the Old and New Testaments of the Bible, meaning that God has given us everything that we need, and we need everything that God has given us.

All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. II Timothy 3:16

The Hebrew Masoretic text and the Greek Textus Receptus manuscripts are the received texts. The King James Bible, also known as the 1611 Authorized Version, is the Word of God for the English speaking world.

The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever.

Psalms 12:6, 7

The Church

The local church is the organization that Jesus Christ, Himself, established for the propagation of the Gospel. Any organization that does not submit to the authority of a local church is destined to fail.

And when they were come to Jerusalem, they were received of the church, and of the apostles and elders, and they declared all things that God had done with them. Act 15:4

GENERAL INFORMATION

The Christian Life

The Christian should strive to live a holy life, and every Christian is responsible to be a witness of Christ both with verbal testimony and with his lifestyle.

And when they were come to Jerusalem, they were received of the church, and of the apostles and elders, and they declared all things that God had done with them. Acts 15:4

The Rapture

We believe in the pre-tribulation rapture of the Church. The Lord Jesus Christ will call us to meet Him in the air, and there He will judge us for the works that we have done whether they be good or bad (I Corinthians 3:12-15, II Corinthians 5:10). Then we will return with Him to set up His one thousand year reign on this earth. By this removal of His bride, the Lord is able to complete His judgment and redemption of His chosen people the Jewish nation.

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. I Thessalonians 4:17

Mission and Purpose

Mission

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. II Timothy 2:2

O T Abroad Missions Trip

Purpose

And the servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient,

In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth;

And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. II Timothy 2:24-26

Youth Conference fun

IFBC is committed to training students to be servants of the Lord, encouraging them to exercise their skills and talents to be used on what ever mission field God calls them to, whether here or abroad.

Location

IFBC Campus is located in the

small town of New Paris, Indiana. It covers approximately 20 acres in 4 different parcels. The main campus is a 24,000 sq. ft. building with a gym, cafeteria, and boys dorm. Just a few blocks north is the 46,000 sq. ft. former Burger Dairy building which is being developed into new class rooms and recreation space. West of S.R. 15 there are 2 more portions of land which are being reserved for well drilling and later program expansion.

The Campus is located 45 Minutes North West of Fort Wayne, three hours East of Chicago, three hours north of Indianapolis, three and one half hours south west of Detroit, and 47 hours from . . . ZAMBIA.

Lifestyle Commitment

At IFBC we believe that the principles found in the Bible should govern what we do. We believe that our behavior is to honor and manifest godly qualities. We also recognize that we have a responsibility to maintain a good testimony before unbelievers.

All members of the college family agree to live according to the college's lifestyle commitment. Faculty, staff, and administrators reaffirm this commitment annually when they consent to teach at IFBC. Students affirm their agreement to live by this commitment as part of the application process and upon registering for classes. Some of the aspects of this commitment reflect our biblical convictions; others reflect what we call "institutional preferences."

IFBC expects every member of the community to adhere to the following spiritual, social, and intellectual expectations; which are to be considered both privileges and responsibilities of life in this Christian community.

IFBC Ensemble

Lifestyle Commitment . . . Continued

Spiritual Expectations:

1. Participate actively in a local assembly of believers.
2. Spend time each day in a personal Bible study and prayer.
3. Seek opportunities for Christian service.
4. Act in positive ways, exhibiting such biblical behaviors as love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance, and sensitivity to the Holy Spirit - in essence, to present one's self to God as a holy, living sacrifice in all matters of life.

Social Expectations:

1. Respect the rights of others and cultivate those attitudes and behaviors which encourage healthy social interaction, including respect for the privacy and property of others.
2. Do right and be fair in dealing with one another; actively seek to help those who are in need.

Intellectual Expectations:

1. Develop, with God's help, one's full academic potential, understanding that to do so is to be a good steward of what God has given us.
2. Cultivate interest in the fine arts and practice discretion and restraint in the choice of television programs, music, entertainment, reading material, public activities, and the people and organizations with which one associates.

Dormitories

On campus dormitories are available for men wishing to attend IFBC. The dorm consists of bedroom, dayroom, kitchen, and bathrooms.

Housing will be made available for ladies wishing to attend. Arrangements will be made through the Dean of Students office.

Both Dorms and Housing have a monthly rent of \$250.00.

Complete the application found in the center of this catalog and send with transcripts to the IFBC office by mail, or deliver in person with the \$20.00 application fee. It is recommended that this correspondence be sent with confirmation of delivery or certified mail through the Postal Service.

References

Students should contact personal references including pastoral references and have completed forms sent to the IFBC registrar. References are an integral part of the admission process, and applicants will not be considered without them. Personal reference forms are found in the center of this catalog.

Transcripts

Send high school transcripts and, if transferring from another college or university, transcripts of credits you wish to be applied towards your diploma Registrar. A response will be given from the Registrar's office.

Notice of Nondiscriminatory Policy as to Students

IFBC admits, and does not discriminate on the basis of, students of any race, color, nationality, ethnic origin, sex, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the institution. No discrimination is held the school's educational policies, admissions policies, or other school administered programs

Transfer of Credit Policies

Although a certain degree of uniformity exists among colleges and universities, it is also important to recognize that each institution is a unique entity in the academic world. For this reason it is not possible to guarantee absolute equivalency of credit in the transfer process. IFBC, however, will seek to provide the most equitable transfer of credit possible within the framework of the following policies.

Credits will be accepted only on a basis of official transcripts. To assist in the evaluation of transcripts, the prospective student should also submit a catalog from the previous institution(s). In order to transfer, a course must carry a grade of C- or higher. Only credits, not grades or grade-points are transferred.

Quarter credits are evaluated as two-thirds of a semester credit. No fractional credit is transferred. A course taken for four quarters credit will therefore be transferred as 2 semester credits rather than $2 \frac{2}{3}$

Scholarships

1. Angela Burdick Scholarship: - One year tuition for a first year student working toward an Education Major.
2. Indiana Homeschool Support (INHSS) Scholarship - A student attending the INHSS program for all four years of High School is qualified for the first year of Tuition.
3. Work Scholarship - Work assigned to students on a case by case basis in exchange for credit hour costs.

Students graduating with an Associates degree from another college or university may be admitted as candidates for the Bachelor's degree at IFBC. In most programs, a full transfer of credit may be possible, provided that the earned Associates degree required a minimum of a C- average for completion.

Institutional Policy for Student Education Records

The Family Education Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. IFBC respects all of these rights. In accordance with FERPA, students are notified of the following rights:

1. **Right to inspect:** Students have the right to inspect and review all their personal education records maintained by or at this institution.

FINANCIAL INFORMATION

2. **Right to a request amendment:** Students have the rights to seek to have corrected any parts of an educational record believed to be inaccurate, misleading, or otherwise in violation of student rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the educational records according to request.
3. **Right to prevent disclosure:** Students have the right to prevent disclosure of education records to third parties with certain limited exceptions. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the educational records according to requests.
 - A. Those instances when prior consent has been given to the disclosure,
 - B. items of directory information for which the student has not refused to disclose (for a complete list of items designated as directory information and for an authorization form to prevent disclosure of this information, contact the Registrar),
 - C. or items for which, under the provisions of FERPA, disclosure is allowed without prior written consent. Information which cannot be restricted from disclosure includes: student named, full or part-time status, degree(s) granted, and dates of attendance.

FINANCIAL INFORMATION

4. **Right to file a complaint with the U.S. Department of Education:** Students have the right to file a complaint with the Family Policy and Compliance Office, U.S. Department of Education, 600 Independence Avenue S.W., Washington, DC 20202, asserting this institution's failure to comply with the requirements of FERPA.
5. **Right to obtain policy:** Students have the right to obtain a copy of the IFBC student records policy. This policy is available from the Registrar.

ACADEMIC INFORMATION

IFBC operates under

the early semester calendar system. The fall semester ends before Christmas break, and the Spring semester ends in early May. Summer and independent study classes are scheduled upon demand.

Calendar for Schools of Religion & Education

Classes meet Monday, Tuesday, and Thursday evenings from 4:00PM to 9:30PM.

Pod Classes

are classes condensed into a one or two week time period, and range in subjects like “where we get our KJV Bible”, “Missions Intensive”, and other relevant themes. Pod Classes are offered in both Fall and Spring Semesters. All students carrying greater than 7 credit hours per semester must take the Pod Classes. The cost is based on \$65.00 per credit offered in each Pod Class. All qualifying students will have the Pod classes automatically added to their bill.

Grace Bible Baptist Church

IFBC’S local church, hosts a week-long event of special evening meetings. All students are required to attend the special meetings in lieu of classes for that week. Students not attending meetings will be considered absent from class.

ACADEMIC INFORMATION

Volunteer Instructors:

The Instructors in the Schools of Religion & Education volunteer their time, it is very important to honor this commitment by attending the classes. More than two unexcused absences will result in loss of non-refundable credit.

Classification of Students

Freshman	0 to 30 Credits
Sophomore	31 to 65 Credits
Junior	66 to 97 Credits
Senior	98+ Credits

Students may not be absent

from an announced examination period except for reasons beyond their control. In the event of an unavoidable absence, the student must arrange for a make-up examination with the instructor.

Students wishing to drop

a course may do so in the first four weeks of the semester without receiving an incomplete grade, however there will be a drop fee of \$20.00 charged.

Missionary Aviation

Students interested in Missionary Aviation will need to complete the Missionary degree with the focus on either Theology or Education, plus the required flight training. See page 45 for class information.

ACADEMIC INFORMATION

Health Careers Training:

Because this curriculum offered through IFBC is in an all day format, a two year degree is achieved in one year. Because the time frame has been shortened without diminishing the required hours of training, the program is much more affordable. See page 44 for class information.

Mission to Missionaries Program

Students seeking a degree have the opportunity to spend one week with one of our sponsored missionaries in our Mission to Missionaries program. Spring Break is an optimal time to take advantage of this program.

Master's Degree

Our Master's Degree program is refreshingly innovative and definitely comprehensive. IFBC offers three different Master's degrees from which to choose. The **Master's of Ministry** focuses on ministry topics. The **Master's of Theology** is theology focused. The **Master's of Biblical Studies** is the most comprehensive, dealing with many different aspects of the Bible. Each one is specifically designed to be self study and can be completed within two years. There are nine different sections to be completed. You must have at least a Bachelors Degree to apply for this course. The cost of the entire course is \$2500.00 and will be set up on a monthly payment schedule for two years.

Doctor's Degree

Like the Master's Degree program, IFBC offers three, different, self-study, Doctor's degrees: The **Doctor of Ministry**, the **Doctor of Theology**, and the **Doctor of Biblical Studies**. The nine different sections are geared to allow the student to continue in the full time ministry, while developing a deeper understanding of God's Word. The applicant must at least have a Master's degree to be selected for this program. The entire program fee is \$2500.00. Upon acceptance into the program the applicant must pay a \$100.00 entrance fee. IFBC will then send all the necessary materials for the course and assign a proctor who will be in continual contact with the student throughout the allotted time period. The Doctoral candidate has an additional opportunity to submit Biblical commentary to be published with other students in an official IFBC Bible Commentary.
